Report on Ethical Hacking

One Day National Level Student Workshop on ETHICAL HACKING

The Department of Computer Science & Engineering organized an one-day national level workshop on "ETHICAL HACKING" in association with CSI student chapter on 18-01-2016.The program was inaugurated by the Principal Dr.C.Srinivasa Rao, GPCET and Dr.S.Prem Kumar, Dean ,GPCET. A huge response was witnessed from I B.Tech students. The Resource Person Dr.S.Prem Kumar enlightened the students with live demonstration on different concepts of Fake mailer, Stenography, Cookie Steeling, Site blockers, Key loggers etc. The hands- on practice was done by participants under the guidance of the resource person and got acquainted with the various tool operations. The Valedictory function took place by collecting feedback and by giving away the participation certificates. The resource person was honored with mementos and the program concluded with vote of thanks.
