TALARI BHARATHI,
Roll No : 17AT1A0514,
Dept. of Computer Science of Engineering,
G. Pulliah College of Engineering and Technology,
Kurnool, Andhra Pradesh - 518002

Dear **TALARI BHARATHI,**

Greetings,

On behalf of **Medha Tech Solutions Pvt. Ltd.**, we are pleased to offer you an internship in the Design and Development department. Your Internship is scheduled to start effective from **15th Feb, 2021** for a period of 3 months and will be expected to work 5 days per week.

You will not be paid, as you will be receiving an academic credit for this position. However, you will be receiving remuneration at the end of the program, if any satisfactory performance only.

As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. The project details and technical platform will be shared with you on or before commencement of internship.

By accepting this offer, you agree that you will follow all the Company's policies that apply to interns. And you agree that you will keep all of the company information strictly confidential and refrain from using it for your own purposes or from disclosing it to any outside the company.

We hope that your internship with the company will be successful and rewarding.

Congratulations and we look forward to joining the team.

As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. The project details and technical platform will be shared with you on or before commencement of internship.

By accepting this offer, you agree that you will follow all the Company's policies that apply to interns. And you agree that you will keep all of the company information strictly confidential and refrain from using it for your own purposes or from disclosing it to any outside the company.

We hope that your internship with the company will be successful and rewarding.

Congratulations and we look forward to joining the team.

Regards,

Sreenivasulu Panyam
