Infrastructure Maintenance Policy

At the G.Pullaiah College of Engineering and Technology, meticulous attention is given to the maintenance and upkeep of our extensive infrastructure, which plays a pivotal role in facilitating teaching, learning, and research endeavors. Our maintenance procedures are systematically organized and overseen by competent professionals to ensure optimal functionality and usability of our facilities. Here is an overview of our approach to infrastructure maintenance:

1. Maintenance of Physical Facilities:

- The institution's engineering section, comprising skilled civil and electrical engineers, is entrusted with the upkeep of physical facilities.
- Electrical engineers oversee uninterrupted power supply and maintenance of equipment, including generator sets, lighting systems, and solar panels.
- Plumbing, sewage, and drainage systems are diligently maintained by dedicated support staff.

2. Maintenance of Classrooms, Furniture, and Laboratories:

- Each department is responsible for the maintenance of classrooms, furniture, and laboratories under their purview.
- Laboratory assistants ensure the proper functioning and cleanliness of their respective labs.
- Minor repairs are promptly addressed, with all maintenance works periodically reported to the administration for oversight.

3. Maintenance and Utilization of Seminar Halls and Auditoria:

- Seminar halls and auditoria are maintained by the engineering team and cleaned by housekeeping staff.
- These facilities are utilized for academic meetings, seminars, conferences, and cultural events, with requests for access processed through the principal's office.

4. Maintenance of Facilities in the Computer Centre:

- The Computer Centre coordinator and support staff oversee the maintenance of computers, servers, and software installations.
- Efforts are made to minimize e-waste through regular servicing and reuse of electronic gadgets.

5. Maintenance of Sports and Games Facility:

- Physical education department staff supervises the maintenance of sports equipment and grounds.
- Regular maintenance is conducted annually and seasonally to ensure optimal conditions for sporting activities.

G PULLAIAH COLLEGE OF ENGINEERING & TECHNOLOGY (Autonomous)

(Approved by AICTE | NAAC Accreditation with 'A' Grade |
Accredited by NBA (CIV, CSE, ECE & EEE) | Affiliated to JNTUA)
Nandikotkur Road, Venkayapalli (V), Kurnool - 518452, Andhra Pradesh

6. Maintenance of Campus Cleanliness:

- Daily cleaning of campus areas, including academic and administrative buildings, is carried out by outsourced housekeeping teams.
- Toilets are cleaned daily, with overall supervision by the housekeeping supervisor.

7. Annual Mock Checking:

- Designated faculty conduct annual stock checks of furniture, lab equipment, stationery, and sports items, with reports submitted to the administration for necessary actions.

Through these comprehensive maintenance protocols, we strive to uphold the integrity and functionality of our infrastructure, providing a conducive environment for academic excellence and holistic development.

G. PULLAIAH

College of Engineering & Technology (Autonomous)

BUS PASS (20 - 20)

Name : _____

Branch : _____

Roll No. : _____

Boarding PT : _____

Phone No. : _____

Principal Signature.

OFFICE ORDER

The following faculties have been drafted as members of Transportation Committee who will look after the various objectives listed below.

The Prime tasks of the Committee are as follows:

- ❖ To monitor the bus timings for the students both at morning & evening.
- ❖ To monitor the condition of the buses.
- ❖ To monitor the bus facility to the faculty.
- ❖ To display the list of students who are availing the bus facility.
- ❖ To finalize the bus routes.
- ❖ To provide better transportation facilities to the students.
