REPORT ON IGNITE 2K22 (Under IEI & ISTE Students' Chapter)

G.Pullaiah College of Engineering & Technology, Kurnool, Department of Electrical and Electronics Engineering under ISTE student chapter organized a 12th National level technical symposium on 12th March 2022 in various places of GPCET, Kurnool. Dr. C. Sreenivasa Rao is the resource person and speaker explained about two day's workshop on AUTO CAD Workshop. He cautioned that the technology should not overtake the human limits. His concluding message focused on applications of AUTO CAD, startups and entrepreneurs development programs acquiring strong knowledge in fundamentals. There are constantly and at the same time VLSI Training workshops are going on during IGNITE 2K22.

Report on "Innovation Day"

We @ GPCET celebrated Innovation Day on 14th October 2021 a true gem of India and to identify the great works done by our hard working engineers each year. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students. Dr. C. Sreenivasa Rao, Principal, GPCET addressed the students and advised them to be confident in their mission and sharpen their skills to meet the global industrial demands. Dr. M. Giridhar Kumar, Dean , GPCET encouraged the students to broaden their perspective and enhance their skills to be successful.

Report on "International Yoga Day"

G.Pullaiah College of Engineering and technology, Thane celebrated the First International Yoga Day, in its college premises, in a grand way. The college believes that education does not mean mere imparting of knowledge or facts but it encompasses an all round development of an individual. The college has been taking all initiatives to accomplish this. The celebration of International Yoga Day as declared by United Nations was highly an exuberant event with the buoyant and enthusiastic participation of the large number of students. The college organized a plethora of activities for students of all ages ranging from asanas, pranayam to Suryanamaskar. The students stretched their arms, bent their legs, rolled their neck and twisted every sinew in their body with greater dexterity, in a spectacular synchronicity with English and Hindi instructions. Vrikshasana, Parvatasana, Padmasana, Vajrasana were the asanas, to name a few, performed on the occasion. The main attraction of the day was the performance of Suryanamaskar in which co ordination of body and mind is very important. The role of yoga in college therefore, becomes significantly important." The Principal, Dr.Srinivasa Rao, in his inaugural address opined, "Yoga, an ancient Art and Science of health and harmony have vast potential for physical, mental, emotional, social and spiritual health of every human being.The day came to conclusion with the recitation of Shantimantra and the students and teachers carrying home the message that,

"Yoga is not for only one – it's for everyone,
Yoga is not for a day- it's for everyday."

Report on "Virtual Dialogue Telling"

Department of H&S organized Virtual Dialogue Telling Competition for B.Tech and MBA students, GPCET. The session was conducted via a virtual platform for participants to share personal narratives, stories and experiences related to a specific them. The aim was to foster understanding, empathy and connection among the participants through story telling. The event took place on 16-03-2021. G.Sashi Kumar, Dean Student Affairs, H&S Department appreciated the efforts and creativity of students. The session helped build a sense of community and belonging among the participants, despite the virtual format.
