Report on "Women Empowerment Day"

G. Pullaiah College of Engineering and organized an awareness program on "Women Empowerment Day" under the guidance of Principal Dr. Srinivasa Rao on 20th of September, 2022. The empowerment and autonomy of women and the improvement of their political, social, economic and health status is a highly important end in itself. In addition, it is essential for the achievement of sustainable development of society. The campaign was carried out in the G. Pullaiah College of Engineering and technology with the basic aim to raise the women's sense of self-worth, their ability to determine their own choice and their right to influence social chances for themselves and others. The Students of all years actively took part in the program by performing dramas
