The institution believes in equality of all cultures and traditions which is evident from the fact that students belonging to different caste, religion, regions are studying without any discrimination. GPCET provides an inclusive environment with diversity in terms of culture, region, linguistic, communal, socio economic and other aspects. While enjoying the wide cultural diversity among its students and faculty, GPCET has been successfully maintaining peace and harmony in all these years without any single episode of intolerance leading to campus unrest. GPCET remains committed to the culture of celebrating diversity by providing an atmosphere of home away from home for nurturing a harmonious academic environment. The institution has formed departmental associations, various clubs to conduct, curricular and co-curricular activities, alumni association, NCC, NSS etc. with an intention of nurturing the culture of inclusiveness among various stakeholders to develop tolerance, communal harmony towards culture, region and linguistics and other diversities.

Efforts to handle cultural diversity:

GPCET conducts annual day celebration every year, which is a gathering of various cultural diversities. Efforts to handle Cultural diversity: GPCET accommodates the culturally diversified students by encouraging the exchange of cross-cultural ideas and celebration of the festivals of different culture. Festivals like Dussehra, Pongal, Christmas, Navaratri, Durga Puja, and Ganesh Chaturthi are celebrated with gusto.

Efforts to handle regional diversity:

Apart from various districts of Andhra Pradesh. During the institutional events, the students from different parts of Andhra Pradesh and other states share their region-specific attributes by mingling with the others. They also conduct a dazzling array of events covering different aspects of the languages through writing and speaking competitions, cultural events and festivals in the campus. GPCET every year organizes "RANGOLI", traditional day that showcase of cultures around the nation.

Efforts to handle Linguistic and communal diversity:

English is used as a medium of teaching in all the classrooms to bridge the gap between the region-specific teaching and the expectations of the students and faculty of the other states. The institute houses students and the faculty of all the communities and religions and provide conducive environment for all.

Efforts to handle socioeconomic diversity:
